

WB workbench

Treston WB workbenches are particularly suitable for use in the electronics industry. The worktop can be steplessly adjusted, with either an electric motor, a hand crank, or an Allen key. Above workbench modules and a wide range of accessories and add-ons enable putting together a highly ergonomic workstation. The workbenches in this product family can be positioned seamlessly side-by-side, back-to-back, or against a wall in various different layouts.

- Stepless worktop height adjustment, 700–1100 mm
- Finished, aluminium profile pleases the eye. Laminate worktop.
- Side and corner extension worktop modules are also available
- Maximum load capacity 250 kg
- Also available with ESD protection
- Suitable for cleanrooms with ISO class 7
- Can be seamlessly positioned back-to-back, side-by-side, or in a corner
